Product Line

	<p>Flatbed 4850 The Flatbed 4850 is ideal for businesses looking for an affordable, reliable imprinter for credit card transactions. It provides accurate credit card information, chargeback protection, and backup, at a highly competitive price.</p>
	<p>Flatbed 2010 The top-of-the line flatbed 2010 is referred to as the "Cadillac" of imprinters. The 2010 has been a best seller for years for its high quality, reliability, durability, and flexibility to accommodate special requirements.</p>
	<p>Mini 990 The portable 990 imprinter makes it easy for delivery or service people to process credit card transactions wherever they go. This compact, lightweight portable imprinter delivers a clear, crisp impression the first time and every time. Optional: Nylon carrying case – additional charges apply.</p>
	<p>Mini 995 Weighing less than a pound, the 995 mini imprinter is truly lightweight and compact. It can be easily carried in pocket or purse for mobile sales applications where a merchant plate is not required. Optional: Nylon carrying case – additional charges apply.</p>
	<p>Pump Handle 871 The versatile and simplistic design of the 871 allows credit card information to be captured on any size receipt and non-standard forms. Options: merchant plate & anvil – additional charges apply.</p>
	<p>Electric 840 This deluxe unit is ideal for high volume car rental, hotel, restaurant, and retail applications where speed and accuracy are critical for data capturing needs.</p>
	<p>Ink Rollers To ensure crisp, readable impressions, it is recommended that the ink roller be replaced every 4 – 6 months. Replaceable rollers for the model 871 and 840 imprinters.</p>
	<p>Cleaning Cards Pre-Saturated, disposable head cleaning card is designed to safely and effectively remove all dirt, magnetic oxides and other contaminants from all types of card readers and POS terminals.</p>
	<p>POS Receipt Rolls Stock thermal and carbon receipt rolls. Terminal manufacturers include: Hypercom, Verifone, Omni, and Nurit.</p>
